

PERPUSTAKAAN MAYA UNIVERSITI SAINS MALAYSIA (USM)

<http://www.lib.usm.my>

KRISALIS merupakan Katalog Awam Dalam Talian (*OPAC: Online Public Access Catalogue*) Perpustakaan USM berasaskan web yang menggunakan sistem ILMU PERDANA. Ia membekalkan rekod asas (maklumat bibliografi, lokasi bahan dan maklumat sirkulasi) mengenai kesemua bahan bacaan dan rujukan yang terdapat di Perpustakaan Induk dan juga di semua Perpustakaan Cawangan.

Subscribed Databases yang dipautkan di sini adalah laman web pangkalan data yang dilanggan (>20 perkhidmatan pangkalan data) seperti *EBSCOHost*, *ProQuest*, *ScienceDirect*, *Emerald*, *JStor*, *Springer Link*, *Springer e-books*, dll. yang mengandungi buku elektronik, abstrak tesis dari luar negara, artikel jurnal sama ada dalam bentuk teks penuh atau abstrak, dsb.

Subscribed Journals adalah versi elektronik jurnal/majalah terpilih yang dilanggan oleh Perpustakaan.

Inhouse Databases mengandungi bahan yang diterbitkan oleh pihak USM dan Perpustakaan USM, iaitu koleksi digital termasuk Kertas Soalan Penerimaan yang lepas, Tesis, Buletin MIDAS, Keratan Akhbar, Pangkalan Data Dalam seperti PKTA, MBIB, dsb.

Pangkalan Data Tesis Malaysia mengandungi koleksi tesis dari universiti awam dan 3 universiti swasta terpilih di Malaysia iaitu Universiti Multimedia, Universiti Tenaga Nasional dan Universiti Teknologi PETRONAS.

The screenshot shows the homepage of the USM Library website. At the top, there is a banner for 'Perpustakaan Universiti Sains Malaysia' and 'Universiti Sains Malaysia Libraries'. Below the banner, there are several sections: 'Highlights' with news about a book collection and library opening hours; 'Patron Login' with fields for 'PATRON ID' and 'PASSWORD'; 'About USM Libraries' with links to various library branches; 'OPAC KRISALIS' (Online Public Access Catalogue); 'e-Resources' with links to subscribed databases, journals, and open access journals; 'Web Resources' with links to Malaysian Links, Reference Resources, and Virtual Subject Libraries; 'Library Publications' with links to the Library Bulletin and MIDAS Bulletin; and 'Subject Browser' with a grid of subject categories. A sidebar on the left contains a 'Patron Login' form and a 'Submit' button. A mobile phone is shown in the middle of the page, with a red arrow pointing to the 'e-Resources' section. Red arrows also point from the text boxes on the left to specific features on the website.

Melalui **eQUIP** pengguna dapat menyemak *New Arrivals* dan *Library Calendar*. Bagi ahli Perpustakaan USM, dengan memasukkan *Patron ID* dan *Password* untuk *login*, mereka boleh menyemak rekod pinjaman, menyemak status tempahan (*reservations*), menghantar dan menerima e-mel, mengakses pangkalan data, menyemak denda, melihat rekod keahlian perpustakaan sendiri, dsb.

Malaysian Links menyediakan capaian kepada laman-laman web Malaysia yang boleh memberikan maklumat dari subjek terpilih. Antaranya adalah pautan kepada maklumat terpilih tentang Malaysia, pautan kepada Universiti dan Kolej, Perpustakaan, Surat Khabar, Penyelidikan dan Pembangunan, dll.

Reference Resources telah mengumpulkan pautan kepada sumber rujukan terpilih untuk sedia rujuk (*ready reference*). Contohnya pautan kepada kamus am, ensiklopedia, maklumat negara-negara, gaya dokumentasi, maklumat statistik, dll.

Virtual Subject Libraries merupakan satu sumber bagi mereka yang ingin merujuk kepada subjek yang spesifik. Ia mengandungi sumber Internet yang telah dikenalpasti bagi subjek yang relevan dengan kursus yang ditawarkan dan penyelidikan yang dijalankan di USM. Pautan kepada tapak-tapak berkenaan disediakan dan sentiasa dikemas kini bagi memastikan kekinian sumber.

Subject Browser menyenaraikan bahan-bahan yang terdapat di dalam Perpustakaan USM (buku, majalah, jurnal, tesis, dll.) mengikut bidang/subjek.

UNIVERSITI SAINS MALAYSIA (USM) VIRTUAL LIBRARY

<http://www.lib.usm.my>

KRISALIS → is a web-based OPAC (Online Public Access Catalogue) and can be accessed via Internet from the USM Library homepage at www.lib.usm.my. KRISALIS provides the bibliographic record of library materials available in the USM main libraries and the branch libraries.

Subscribed Databases → currently, the library subscribes to >20 database services which can access thousands of full text journal articles, electronic books, dissertation abstracts, and others. Some of the databases subscribed to date are as follows:

EBSCOHost, ProQuest, ScienceDirect, Emerald, JStor, Springer Link, Springer e-books, etc.

Subscribed Journals → are selected electronic equivalents of journals subscribed by the USM Libraries.

Inhouse Databases → contain materials (produced/published by USM and USM Libraries) such as digitized collections, past years exam papers, theses, MIDAS Bulletin, newspaper cuttings, Inhouse Databases i.e. PKTA, MBIB, etc.

Malaysian Theses Online → is an online database that contains information on theses collection from our local public universities and 3 selected private universities in Malaysia such as Multimedia University, Universiti Tenaga Nasional and Universiti Teknologi PETRONAS.

The screenshot shows the USM Virtual Library homepage. At the top, there is a banner for 'Perpustakaan Universiti Sains Malaysia' and 'Universiti Sains Malaysia Libraries'. Below the banner is a navigation menu with links for 'Highlights', 'About USM Libraries', 'OPAC KRISALIS', 'e-Resources', 'Web Resources', 'Library Publications', and 'Subject Browser'. The 'Highlights' section features news about a book collection handover and library opening hours. The 'About USM Libraries' section lists various library branches like 'Hamzah Sendut Library 1 & 2', 'Media Library, CETM', and 'Islamic Centre Library'. The 'OPAC KRISALIS' section provides instructions for searching the catalogue. The 'e-Resources' section lists subscribed databases, journals, and open access journals. The 'Web Resources' section includes links to 'Malaysian Links', 'Reference Resources', and 'Virtual Subject Libraries'. The 'Library Publications' section lists 'Jendela: Library Bulletin', 'MIDAS Bulletin', and 'Brochures'. The 'Subject Browser' section lists various subject fields such as 'Arts & Music', 'Biological Sciences', 'Chemical Sciences', 'Communication', 'Computer Sciences', 'Education', 'Humanities', 'Housing, Building and Planning', 'Industrial Technology', 'Management', 'Mathematics', 'Pharmaceutical Sciences', 'Physics', and 'Social Sciences'. A 'Patron Login' section is visible on the left, and an 'eQUIP' section is on the right. Red arrows point from the text boxes to these specific sections on the webpage.

eQUIP → by logging in with Patron ID and Password, eQUIP allows registered members to view their borrower records, view receipting transaction, reserve library materials as well as send and receive messages from the Librarian and others. For other users, it allows the view of New Arrivals (new acquisition) and the Library Calendar.

Malaysian Links → provide links to useful web pages from Malaysia which contain information for selected areas. For example, local resources of politics & government, economy, education, universities & colleges, research & development, newspapers, libraries, etc.

Reference Resources → this is a collection of online reference resources selected from the Internet. For example links to dictionaries & encyclopedias, geographical & other place-oriented references, general statistics & data sources, etc.

Virtual Subject Libraries → Virtual Subject Libraries (VSL) provide information on Internet resources as well as links to related sites. This page is updated regularly to ensure currency of resources, reflecting the current teaching and research undertaken at the University.

Subject Browser → lists Library materials (books, journals, theses, etc.) available in the USM Libraries by subject field.
