There are three folders available. AMDI is for Pusat Kanser Tun Abdullah Ahmad Badawi (previously known as Advanced Medical and Dental Institute). While the other two are for other campuses, available both in English and Malay versions.

4. Click on the folder of the required template. E.g : ENGLISH

5. Click on the 3 dots at the template title and click “Download”

Please join our [WORKSHOP](#) for detailed elaboration on using the template for thesis writing application.
